Inspired by Nature.

Inspired by the knots and grain of mature oak wood, and designed to evoke a complex reinterpretation of traditional wood textures.

Neoflex Wood Series showcases exquisite color combinations across its 56 colorways, giving the floor a strong presence that is at once both dramatic, yet reassuring.

Standard Colors.

Neoflex Wood Series is available in a variety of standard colorways that utilize a colored pattern printed over a black EPDM rubber base.

The below color swatches are meant to give you a first impression of colors and materials. Experience has shown, however, that printed versions of colors cannot in all cases faithfully reproduce the color appearance of the originals. We therefore recommend that you consult your Neoflex partner on your preferred color choices, who will be happy to show you original samples and assist you.
